

### BOOK REVIEW SOURCES

Amazon at [www.amazon.com](http://www.amazon.com)

Look for reviews by “Kirkus”, “Hornbook”, and “Publisher’s Weekly”; use caution with “customer reviews” as these are often written by friends or paid reviewers to increase book sales.

The Bryn Mawr Classical Review – <http://ccat.sas.upenn.bmcr/achive.html>

Archive from 1990 to present of book reviews for classical resources. The site also can be searched across the years by keyword.
